Health Planning Guidance

- **Prevention**

Haskell CISD must exclude students from attending school in person who are actively sick with COVID-19 or who have received a positive test result for COVID-19. Parents must ensure they do not send a child to a school campus or place them on a form of school transportation such as a school bus if the child

has COVID-19 symptoms or is test-confirmed with COVID-19. Student may return when the conditions for re-entry are met.

Teachers and staff must report to the school system if they themselves have COVID-19 symptoms or are lab confirmed with COVID-19, and if so, they must remain off campus until they meet the criteria for re-entry. Additionally, they must report to the school system if they have had close contact with an individual who is lab-confirmed with COVID-19.

Maintaining Health and Safety

Haskell CISD has taken and will continue to take actions to ensure the health and safety of students, educators and staff. Haskell CISD will follow TEA Guidance
